Lead Web Developer | WordPress • Shopify • React/Next.js • Node.js • Laravel

Email: m.abdullah.abs@gmail.com • Phone: +92 335 5886808 • Location: Pakistan • Open to Remote Roles Worldwide

Portfolio: abdullah0335.github.io/Myportfolio- • GitHub: github.com/abdullah0335 • LinkedIn: linkedin.com/in/muhammad-abdullah-ba3b7a214

PROFESSIONAL SUMMARY

Lead Web Developer with 3.5+ years of experience delivering 250+ production websites and custom plugins for clients across the globe in e-commerce, real estate, healthcare, and media. Specialized in WordPress, WooCommerce, and Shopify, with full-stack capabilities in React.js, Next.js, Node.js, Express.js, PHP, Laravel, Python, and Django, plus React Native for mobile. Proven success managing entire project lifecycles from Figma designs to deployed, SEO-optimized websites, with direct international client communication through Fiverr and Upwork. Skilled at leveraging AI tools — custom AI chatbots and AI-assisted (vibe) coding — to accelerate landing page and feature development without compromising quality. Open to remote opportunities across all time zones.

Languages: English (Fluent) • Urdu (Native) • Punjabi

PROFESSIONAL EXPERIENCE

Lead Web Developer | Emeralds Media

On-site, Pakistan • November 2023 – Present

- Lead end-to-end development and ongoing management of all in-house and client websites built on WordPress and Shopify, delivering 80+ live projects across e-commerce, real estate, healthcare, and media verticals.
- Architect and build custom WordPress plugins, including an AI chatbot plugin and a car booking plugin, enabling repeatable functionality across multiple client sites.
- Develop custom admin dashboards tailored to client workflows, replacing manual processes with self-service tooling.
- Use AI-assisted development workflows to rapidly produce high-converting landing pages, reducing typical delivery time by an estimated 40 to 60 percent.
- Administer Google Workspace and Microsoft 365 for the organization, handling user provisioning, email routing, and access control.
- Collaborate closely with designers, marketers, and clients across multiple regions to ship features on agreed timelines.

Key Projects: vapesdirect.pk · noubarealestate.com · careapexhealth.com · sky-chauffeur.com · emrixmedia.com · mediasniffers.pk · elarisrealestate.com

Lead Web Developer | ABS Solutions

On-site, Pakistan • November 2021 – October 2023

- Led development and maintenance of in-house and client websites using WordPress, WooCommerce, and Shopify.
- Built fully custom web applications from scratch using HTML, CSS, JavaScript, PHP, and Laravel for clients with requirements outside standard CMS capabilities.
- Owned direct client communication on Fiverr and Upwork, including scoping, quoting, milestone delivery, and post-launch support, while maintaining high client satisfaction ratings.
- Translated Figma designs into pixel-accurate, responsive, SEO-friendly websites.
- Mentored junior developers on WordPress best practices, code review, and deployment workflows.

Key Projects: amtradez.com · app.inventorysol.com · nixcer.com

Freelance Web Developer | Self-Employed

Remote • 2021 – Present

- Delivered websites and web applications independently to international clients across the UK, Pakistan, and other markets via Fiverr and Upwork.
- Handled the full project lifecycle: requirements gathering, design implementation, development, deployment, and post-launch maintenance.
- Maintained consistent communication across time zones, providing async progress updates and meeting agreed deadlines.

Selected Freelance Projects: safradevelopers.com · 3daquaticsolutions.com · magnumpackaging.co.uk · tmlakproperty.com · drattiyaskinmatters.com.pk · skinmatters.shop

ADDITIONAL PORTFOLIO WORK

- mypass.pk — Event ticketing platform for concerts, festivals and live shows in Pakistan
- lrbydrahmed.com — PTE and English exam coaching site with mock tests and AI scoring (WordPress)
- magnumproperties.co.uk — UK estate agent with valuation booking and a stamp duty calculator (WordPress)
- phroduck.co.uk — UK pet and home essentials store (Shopify)
- phoneclinix.com — Product site for mobile phone diagnostics software (WordPress)
- shanbuilder.com — Singapore design-and-build renovation contractor (WordPress)

KEY ACHIEVEMENTS

- Developed and delivered 250+ projects for clients all over the world, spanning e-commerce, real estate, healthcare, packaging, automotive, and media industries.
- Built and deployed 80+ websites and 3 reusable custom plugins during current role at Emeralds Media alone.
- Designed and published custom plugins including an AI chatbot and a car booking system, now reused across multiple client deployments.
- Successfully managed long-term international client relationships on Fiverr and Upwork with consistent on-time delivery and positive client feedback.

EDUCATION

Bachelor of Science in Computer Science

Capital University of Science and Technology, Pakistan

AVAILABILITY

Actively seeking full-time remote roles, long-term contracts, or project-based engagements with international companies. Comfortable working across US, EU, UK, and APAC time zones with overlapping hours. Hands-on experience delivering remote freelance projects to clients in the UK, USA, and across the globe via Fiverr and Upwork.
